## Mission, Goals, Definitions

### 2011-2012

**Mission Statement:** To enlist, retain, and motivate parents as volunteers at Wayside for the purpose of enriching out children's academic success.

**Goals:**

1. To increase the total number of academic volunteer hours from 1600 hrs to 1800 hrs for the 2011-2012 school year.
2. To increase the number of parents volunteering in academic areas to exceed 100 academic volunteers from previous year.
3. To increase achievement scores on OCCT from previous school year, ultimately to 100%.

**Motto:** Wayside Army of Volunteers for Excellence, **We All** have a **Valuable** part in our kids' **Education**

**Considerations on what activities constitute "academic" volunteering at Wayside for purposes of calculating academic volunteer hours:**

1. Does the activity directly assist the teachers, freeing up their time to teach?
2. Does the activity directly assist a child to meet a PASS standard?
3. Does the activity directly assist a child in a core academic subject tested on OCCT?

**Academic Volunteers:** math tutors, reading tutors, substitute tutors, library assistance, academic classroom helpers, teacher workroom assistance, and test monitors.
