

WAVE PARKING SPACE WINNERS

The *wave* VIP parking is designated with a sign and located two spaces Southeast of Visitor Parking. It is a prime parking spot that is reserved monthly for our special volunteers. We pick our winners according to the following schedule:

August: WPSA President

September: We draw names from people who sign up to be a *wave* volunteer on Open House night or Curriculum Night to encourage early sign-up.

October thru May: We begin to draw names, on a monthly basis, from people who have accumulated 5 or more academic hours. Once a name has been chosen, that name is redacted from our list of candidates (in other words, you can't win twice!).
